

# Ambassador PUZZLES

Choose your favorites for hours of challenging fun!

The unique designs and superior quality create jigsaw puzzles that are fun to put together and fun to give, too.

Each puzzle has fully-interlocking pieces cut with intricate, razor-sharp dies. Every piece fits together so perfectly, you can actually pick up an assembled puzzle.

Ambassador puzzles use thicker chipboard for sturdier, easier to grasp pieces. Individual pieces are bigger, too!

Special fade-resistant inks are used so the colors remain fresh and bright.

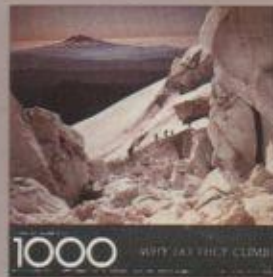

Ambassador puzzles are the perfect family pastime and a great gift for any occasion.

The puzzles pictured here may not be available in every store.
