Decorate Any Wall with Colorful Puzzles!

Putting it all together to turn a wall into a "gallery" is easier than you think. All it takes to make a striking wall arrangement are completed Springbok puzzles from Hallmark, puzzle preserver and picture frames!

Simply coat the puzzle backs with Hallmark puzzle preserver, then mount the puzzles on cardboard or lightweight plywood with white glue. Next, place the mounted puzzles in standard picture frames and they're ready to hang.

As additional puzzles are completed, your "wall gallery" can be expanded!
